## Less Seams, Less Time, Less Worries

This uniform step panel can be custom cut to lengths up to 30' significantly reducing the amount of seams and aiding in the prevention of leaks. Available in 12" or 16" steps.

EASY SHAKE has a lifetime of 40+ years which is up to 3 times longer than conventional asphalt shingles.

▪ *Least expensive roofing system over the life of the roof.*

EASY SHAKE is highly resistant to all of what nature can conjure up, including extreme weather conditions, termites, pests, mold or mildew. The smooth finish helps resist dirt and shed the buildup of snow and ice.

▪ *Won't ignite, crack, split, break, or curl.*  
▪ *Virtually Maintenance Free over the life of the roof.*

EASY SHAKE is less than 1/3 the weight of asphalt shingles and installs over existing shingles. No "tear off" required. ②

▪ *Saving you time and money.*

EASY SHAKE is not only made from partially recycled materials but at any time is recyclable and reusable.

▪ *Environmentally Friendly.*
