

SNAP-LOCK STANDING SEAM

In addition to its unique and attractive look, Snap-Lock Standing Seam Metal Roofing has hidden fasteners that help eliminate the chance of roof leaks. The Standing Seam panels have a tall 1.5 inch rib height and are available in 12 inch or 16 inch panel widths with 2 different profiles. Snap-Lock Standing Seam is also made out of a sturdy and durable 26 gauge metal and is available in all TerraStar Building Products colours.
