

TRUSSCORE™

PVC Interlocking Liner Panel

Trusscore PVC Interlocking Liner Panels are designed with a unique tongue and groove interlocking system which will hide fasteners and give a clean smooth finish. Trusscore is a low maintenance and abuse resistant sanitary wall and ceiling panel which is available in 12' 16' and 20' lengths. Trusscore is highly resistant to moisture and chemicals, the inner truss is designed for rigidity and strength but is also lightweight for fast and easy installation.
